I. Read Secretary's docket Nos. 15854—L. F. 87-96 and 15855—L. F. 87-96 of the 26th March 1902, requesting to place before the Board the subjects of (1) opening out a road to improve the sanitation at Suttoor in the Nanjangud Taluk and (2) of extending the Oopilakere road to improve the sanitation of Bilagali Village in the Nanjangud Taluk.

Resolved that the proposed sanitary improvements be approved.

II. Read Secretary's docket No. 15856—L. F. 87-96 of the 26th March 1902, requesting to place before the Board the subject of acquiring certain lands for improving the sanitation of the Tayur Village in the Nanjangud Taluk.

Resolved that the ten houses in the congested quarter in question be demolished; but, that in allotting fresh house-sites, the proposal of the present Acting Amildar to fill up a portion of the existing trench and utilize the same for house-sites be adopted in preference to the former Amildar's recommendation to take up portions of hittals attached to dwelling-houses.

III. Read Secretary's docket No. 15856—L. F. 87-96 of the 26th March 1902, requesting to place before the Board the subject of acquiring a small plot of land required for a kitchen for non-vegetarians near the inspection-lodge at Talakad in the T. Narsipur Taluk.

Resolved that the land in question on which the building has already been raised be formally acquired and the amount of compensation recommended by the present Amildar be approved.

IV. Read Mysore Division Executive Engineer's docket No. 62 of the 13th March 1902 enquiring if funds are available to metal the first 7 miles of Gundlupet-Chamrajnagar road.

The Board regret that funds are not available for the work.

V. Read Gundlupet Taluk Amildar's report No. 184 of the 16th April 1902, requesting that an additional sweeper on Rs. 5 per month be sanctioned for the 3rd class travellers' bungalow at Begur.

Resolved that so long as the bungalow remains a third class one, a second sweeper cannot be sanctioned.

VI. Read T. Narsipur Amildar's report No. 317 of the 18th April 1902, suggesting that an Assistant Engineer may be entertained to check the estimates prepared by the work inspectors and to supervise the work done by them.

The Board are not prepared to entertain the above costly proposal at present.

VII. Read report from the Amildar of the Nanjangud Taluk, submitting certain proposals and resolved as follows:—

(1) Funds may be set apart for filling up manure pits adjoining the village sites in view to improve the village sanitation.

The Board observe that a provision is already made in the budget for the removal of manure pits and filling up cess pools, and they do not see their way to provide for any additional expenditure under this head in the absence of definite proposals.

(2) A scavenger or two may be appointed for all villages brought under the operation of the Village Sanitation Regulation.

The Board are unable to entertain the above proposal as it is not practicable to provide paid scavengers for every such village.

(3) As great damage is caused to many road-side avenue trees owing to the digging of gravel pits too close to them, the removal of gravel from within a distance of 30 feet from the avenue trees should be prohibited.

Resolved that the Board consider it impracticable to lay down a general rule like the one proposed; but that the co-operation of the Executive Engineer of the Division be enlisted to prevent danger to road-side avenues by avoiding the digging of gravel pits too close to them.

(4) Estimates for the annual repairs of Local Fund roads may be sent for the information and countersignature of the Amildar of the taluk, or the Assistant Commissioner in charge of it.

As the Executive Engineer has kindly consented to send copies of such estimates for the information of the President, the Board consider that such an arrangement would be sufficient for the present.

(5) A watchman may be appointed for larger villages brought under the operation of the Sanitation Regulation, to guard sources of drinking water in such villages from pollution.

Resolved that the Amildar be informed that his proposal is too general, and that definite proposals, if submitted, would be duly considered.

(6) It is requested that (1) Narsipur-Nanjangud road, (2) Hura-Hullahalli and (3) Kowlande-Mumathur roads may be tunnelled early, where necessary, as much inconvenience is being caused to passenger and cart-traffic on these roads.

Resolved that the tunnels be constructed to the extent permitted by funds at the Board's disposal.

VIII. Read reports from the Amildars of the Yedatore, Heggaddevankote and Hunsur Taluks, requesting that funds may be allotted for certain new works.

Resolved that the proposals be brought forward at the next budget meeting.

IX. Read report No. 418 of the 19th April 1902 from the Amildar of the Chamrajnagar Taluk, reporting that the question of granting an allowance to Hakim Amirudin may be settled early.

Resolved that a further representation be made to Government applying for early sanction to the proposal.

X. The following Government orders were read and recorded :—

(1) Government order No. 11525-34—L. F. 40-1900 of the 11th January 1902, sanctioning as a tentative measure for two years, the annual grant of Rs. 10, 8 and 5 respectively, to servants of the 1st, 2nd, 3rd class travellers' bungalows in the State for the best kept compounds and gardens.

(2) Government order No. 13921-30—L. F. 55-93 of the 24th February 1902 passing orders as regards the rates of mileage and batta allowable to midwives and compounders of the Local Fund Dispensaries.

(3) Government order No. 14301-8—L. F. 29-1900 of the 28th February 1902, declining to sanction the grant of Rs. 310 from Local Funds General for the execution of certain works in the Pavagada Taluk, undertaken by the President without the previous sanction of Government.

(4) Government order No. 15711-20—L. F. 144-92 of the 21st March 1902, directing the withdrawal of special allowances to Hospital Assistants deputed to render medical aid at places other than their head-quarters.

(5) Government order No. 16471-79—L. F. 29-00 of the 7th April 1902, laying down that Government do not approve of the practice of carring out any work and incurring expenditure without previous sanction.
